Sixth Supplemental Information Disclosure Statement

Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Enclosed is Form PTO/SB/08B, which identifies a document that may be considered material to the patentability of the claimed invention in compliance with the requirements of 37 C.F.R. §§ 1.56, 1.97, 1.98 and MPEP 2001.06(c). Pursuant to 37 C.F.R. § 1.98(d), a copy of the cited document is enclosed. Portions of the enclosed document were submitted with Applicants' Fifth Supplemental Information Disclosure Statement dated September 5, 2006. A complete copy of the entire document is submitted herewith pursuant to the Examiner's request.

Applicant reserves the right to establish the patentability of the claimed invention over any of the information provided herewith, and/or to prove that this information may not be prior art, and/or to prove that this information may not be enabling for the teachings purportedly offered.

The filing of this information disclosure statement shall not be construed to be an admission that the information cited in the statement is, or is considered to be, material to patentability.

This statement should not be construed as a representation that a search has been made, or that information more material to the patentability of the claimed invention does not exist. The Examiner is specifically requested not to rely solely on the material submitted herewith. It is further understood that the Examiner will consider information that had been cited by or submitted to the U.S. Patent and Trademark Office in a prior application relied on under 35 U.S.C. § 120.

It is respectfully requested that the Examiner initial and return a copy of the enclosed PTO/SB/08B, and to indicate in the official file wrapper of this patent application that the document has been considered.

The Commissioner is hereby authorized to charge any fee deemed necessary, and/or credit any amount to deposit account number 50-3385.

Respectfully submitted,

Date: April 11, 2007
